

2026 Business Sponsorship Program

Your business can help save lives and gain meaningful community visibility.

Caring for Cats is a **volunteer-run, no-kill cat shelter** serving North St. Paul and surrounding communities. We provide food, shelter, medical care, rehabilitation, and adoption opportunities for cats who need a second chance. Caring for Cats is a 501(c) organization so your contribution is tax deductible.

We show appreciation for annual business sponsors through public recognition, marketing visibility, and opportunities to reach a loyal base of animal-loving community members.

Our growing audience includes our social media accounts with **13K+ followers**, livestream with **800+ monthly viewers**, an email audience of **1,000+ subscribers**, and our Mewsletter, which reaches **3,000+ local residents**, making this a unique sponsorship opportunity for businesses who want to support a

community of highly-engaged Twin Cities cat lovers.

Why Businesses Partner With Us

- ✓ Local impact with visible recognition
- ✓ Great alignment with community and family audiences
- ✓ Positive brand association with rescue, compassion, and care

Become a sponsor. Make an impact. Change a life one paw at a time.

Business Sponsorships are annual partnership commitments. Sponsors may fulfill their selected level as a one-time annual donation, through monthly recurring payments, or with an in-kind donation of equivalent value.
